

AMENDED IN SENATE APRIL 22, 2014

SENATE BILL

No. 1022

Introduced by Senator Huff
(Coauthor: Senator Hancock)

February 14, 2014

An act to add Section 66014.3 to the Education Code, relating to public postsecondary education.

LEGISLATIVE COUNSEL'S DIGEST

SB 1022, as amended, Huff. Public postsecondary education: labor market outcome information.

Existing law establishes the California State University and the University of California as 2 of the segments of public postsecondary education in this state. Instruction is provided to students at the 25 institutions constituting the California State University and the 10 institutions constituting the University of California.

This bill would require the California State University, and request the University of California, to publicly provide labor market *prematriculation and* outcome information relating to their graduates. The information required by the bill would include, but not necessarily be limited to, salary data ~~and the distribution of employers~~, classified by industry. The bill would specify requirements for presentation of this data, including the use of easily understood labor market measures, aggregation of the data to the systemwide level ~~and disaggregation to the campus level~~ and by particular areas of study, ~~time frames~~ *timeframes before and after graduation* for the presentation of the data in each labor market *prematriculation and* outcome category, and adherence to pertinent state and federal privacy laws.

The bill would require that this information be made publicly available through publication on the Internet Web sites of the respective segments no later than June 1, 2016, and updated no later than June 1 of each year thereafter.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 *SECTION 1. It is the intent of the Legislature that the impact*
2 *of public postsecondary education on the employment and earnings*
3 *of students be made publicly available, to the extent possible, to*
4 *students and families consistently across the segments of public*
5 *postsecondary education.*

6 ~~SECTION 1.~~

7 *SEC. 2.* Section 66014.3 is added to the Education Code, to
8 read:

9 66014.3. (a) The California State University shall, and the
10 University of California is requested to, publicly provide labor
11 market *prematriculation and* outcome information relating to their
12 graduates. This information shall include, but not necessarily be
13 limited to, salary data ~~and the distribution of employers~~, classified
14 by industry.

15 (b) The information required by this section shall be provided
16 using data including, but not necessarily limited to, information
17 provided by the Employment Development Department pursuant
18 to Section 1095 of the Unemployment Insurance Code and the
19 segments' own databases. The information shall be presented in
20 accordance with all of the following requirements:

21 (1) The data shall be presented in terms of easily understood
22 labor market measures, such as median annual wage.

23 (2) The data shall be aggregated to the systemwide level ~~as well~~
24 ~~as disaggregated to the campus level~~ and by particular areas of
25 study.

26 (3) Labor market outcome data for each category shall, at a
27 minimum, provide data relating to graduates one or two years, and
28 five years, after their graduation, *and prematriculation labor*
29 *market data for graduates six years before the receipt of their*
30 *degrees. The Legislature encourages the California State*
31 *University and the University of California to additionally provide*

1 *labor market outcome data for periods longer than five years after*
2 *graduation.*

3 (4) In the collection and publication of data pursuant to this
4 section, the segments shall adhere to all pertinent state and federal
5 privacy laws.

6 (c) The information required by this section shall be made
7 publicly available through publication on the Internet Web sites
8 of the respective segments no later than June 1, 2016, and shall be
9 updated no later than June 1 of each year thereafter.
